Trumpi humoristiniai ir (auto)ironiški pasakojimai apie beprasmių vaizdų perpildytą ir neretai absurdiską kasdienio gyvenimo realybę.

Short humoristic and (auto)ironic stories filled with meaningless images and absurdity of everyday life.

PLEASE DON'T

THE SIMS EXIST

A photograph of a woman with dark skin and curly hair, wearing a vibrant red dress, captured in motion as she dances. She is positioned in front of a wall that is partially obscured by red, vertical streaks of light, possibly from stage lights or a fire. The background is dark and textured. In the bottom right corner of the image, there is a white, semi-transparent rectangular area containing handwritten text.

Vaikystėje, pamenu, seneliai turėjo seną sulankstomą lovą – raskladušką. Lova buvo ištisės pravarti žiemos metu, kai aš ir sesuo pasilikdavome nakvoti. Mat, sutalpinus dvejus vaikus toj pačioj patalpoj, šildyma tekavo jungti tik vienam papildomam kambariui. Raskladuška tuomet buvo puiki, tačiau visą kitą laiką sulankstytą stovėdavo kažkur antresolėje.
